### Extra-Curricular Activities

Soccer, tennis, swimming and volleyball are our standard extra-curricular activities and are included in our school fees. Other additional extra-curricular activities offered vary each year. Parents will be notified of the activities being offered each year and their respective cost.

### **Technology**

Students will have access to their own personal tablet in the classroom. Tablets are used to enrich the curricula taught in the classroom and will be loaded with educational games, e-books and other subject related software.

Information about students' progress can be accessed all year round on ALMA (the school's online portal). Alma provides access to the school calendar, curriculum, assignments, grades and allows direct communication to teachers, granting you the convenience of keeping abreast with your child's education from the comfort of your home or office PC. All parents are encouraged to make full use of this interactive time saver.
